

Quality Policy Statement

Company description

We seek to understand the requirements of each client and to implement services, procedures, and controls to ensure that our sites are set up and run efficiently and effectively. Our management teams have extensive experience in the industry, with wide-ranging individual expertise, and have been involved in many large and prestigious projects.

Our quality commitments

We will demonstrate our commitment to quality through:

- Providing a focus on customer requirements.
- Compliance with legal and other relevant requirements.
- Adoption of best practice in our construction activities.
- The continual improvement of our performance throughout our operations and activities.

Our quality objectives

- Monitoring and improving the satisfaction of our customers.
- Managing our processes carefully to maximise the benefits to our clients.
- The identification and management of critical and business activities
- Promotion of improved performance by our contractors and suppliers
- Achievement and maintenance of a quality management system conforming to ISO 9001.

Quality performance

Our objectives will be delivered through a programme of quality targets and will be managed and monitored by our management teams.
