

ENVIRONMENTAL POLICY STATEMENT

All our activities have potential environmental impacts. We seek to understand the challenges of each site we operate so as to implement services, procedures and controls in a manner that will at least mitigate negative environmental impacts as far as possible, with a view to their eventual elimination when this is achievable.

OUR ENVIRONMENTAL COMMITMENTS

We will demonstrate our commitment to the environment through:

- The promotion of sustainability in all our activities.
- Compliance with all legal and other relevant regulations.
- The continual improvement of our environmental performance throughout our operations and activities.
- Pollution prevention and ecological awareness.

OUR ENVIRONMENTAL OBJECTIVES

- Management and reduction of waste from our operations and activities.
- Continuous improvement of energy and water efficiency and best practice wherever practicable.
- The identification and management of environmental risks arising from incidents and general business activities
- The continual improvement of environmental performance by our contractors and suppliers.
- Maintenance of an Environmental Management System conforming to **ISO 14001:2015**.

ENVIRONMENTAL PERFORMANCE

Our objectives will be delivered through a program of environmental targets which will be regularly monitored by our management team.

WHO IS THIS POLICY STATEMENT FOR?

Copies of this policy statement will be made freely available to all those with an interest in our activities. This statement will be promoted to our staff, to our customers and to representatives of the local communities in which we operate.
