

Environmental - Policy Statement - 2023

OUR COMMITMENT

Able UK Ltd recognises the importance of environmental protection, and is committed to operating its business responsibly and in compliance with all relevant legislative requirements.

We commit to undertaking all of our operational activities in a safe and environmentally sound manner. Through this approach we aim to provide our clients with environmentally sound solutions to their business requirements.

Working closely with all relevant regulatory bodies we shall conduct business to meet or exceed legislative standards.

We will develop our business with the aim of continually improving environmental performance, through the implementation of the following:

- Monitoring the company's environmental performance;
- Developing solutions to eliminate or mitigate environmental impacts;
- Training our employees in environmental issues;
- Minimising the production of waste;
- Minimising energy consumption;

- Promoting the use of reusable, recyclable and renewable materials;
- Driving continual environmental improvement through a system of prevention or effective management and mitigation of environmental incidents and impacts.
- Controlling and minimising all emissions from our operations;
- Ensuring that all of our stakeholders, customers and suppliers meet or exceed our environmental standards;

- Maintaining and improving the effectiveness of the Environmental Management System (EMS) to meet the requirements of ISO 14001:2015.

Allied with the above will be the development and maintenance of our Carbon Zero Strategy.

WHO IS THIS STATEMENT FOR?

We will communicate this policy to all employees and it will be freely available to our stakeholders. Our Environmental Management System will be reviewed and updated at least annually, or as required where there have been changes to legislation or significant changes to the business or its activities.

This policy, supported by procedures and organisational arrangements, will be applied to all activities carried out by the company.
