

Quality - Policy Statement - 2023

OUR COMMITMENT

Able UK is committed to providing exceptional service levels and delivering effective solutions to each of our clients.

This goal is supported by a culture of continuous improvement, backed by our Quality Management System (QMS).

We will demonstrate our commitment to quality through:

- Providing a constant focus on customer requirements.
- Compliance with all legal and other relevant regulations.
- The continual improvement of quality performance across all Able UK operations and activities.

These commitments will be supported our Health and Safety and Environmental policies.

OUR QUALITY OBJECTIVES

Our objectives will include:

- Monitoring and improving the satisfaction of our customers.

- Managing and continually improving our processes carefully to maximise the benefits to our customers.
- The identification and management of critical business activities.

- The continuous improvement of supplier performance.
- Maintenance of a QMS conforming to ISO 9001:2015.

These objectives will be delivered through a program of actions and targets which will be regularly monitored by our Senior Leadership Team.

The company will communicate this policy to all employees and it will be freely available to our stakeholders. It will be reviewed and updated at least annually or as required where there have been changes to legislation or significant changes to the company or its activities.

This policy, supported by instructions, procedures and organisational arrangements will be applied to all activities carried out by the company.
